

Adapted from the Recommended Adult Immunization Schedule, by Vaccine and Age Group - United States, 2012¹

VACCINE ▼	AGE GROUP ▶	19-21 years	22-26 years	27-49 years	50-59 years	60-64 years	≥65 years	
Influenza ²		1 dose annually						
Tetanus, diphtheria, pertussis (Td/Tdap) ^{3,*}		Substitute 1-time dose of Tdap for Td booster; then boost with Td every 10 years						Td/Tdap ³
Varicella ^{4,*}		2 doses						
Human papillomavirus (HPV) Female ^{5,*}		3 doses						
Human papillomavirus (HPV) Male ^{5,*}		3 doses						
Zoster ⁶					1 dose			
Measles, mumps, rubella (MMR) ^{7,*}		1 or 2 doses			1 dose			
Pneumococcal (polysaccharide) ^{8,9}		1 or 2 doses						1 dose
Meningococcal ^{10,*}		1 or more doses						
Hepatitis A ^{11,*}		2 doses						
Hepatitis B ^{12,*}		3 doses						

* Covered by the Vaccine Injury Compensation Program

The vaccines for the above immunizations are available through VaxServe.

For all persons in this category who meet the age requirements and who lack evidence of immunity (e.g., lack documentation of vaccination or have no evidence of previous infection)

Recommended if some other risk factor is present (e.g., based on medical, occupational, lifestyle, or other indications)

Tdap recommended for ≥65 if contact with <12 month old child. Either Td or Tdap can be used if no infant contact

No recommendation

Report all clinically significant postvaccination reactions to the Vaccine Adverse Event Reporting System (VAERS). Reporting forms and instructions on filing a VAERS report are available at <http://www.vaers.hhs.gov> or by telephone, 800-822-7967.

Information on how to file a Vaccine Injury Compensation Program claim is available at <http://www.hrsa.gov/vaccinecompensation> or by telephone, 800-338-2382. Information about filing a claim for vaccine injury is available through the U.S. Court of Federal Claims, 717 Madison Place, N.W., Washington, D.C. 20005; telephone, 202-357-6400.

Additional information about the vaccines in this schedule, extent of available data, and contraindications for vaccination also is available at <http://www.cdc.gov/vaccines> or from the CDC-INFO Contact Center at 800-CDC-INFO (800-232-4636) in English and Spanish, 24 hours a day, 7 days a week.

Use of trade names and commercial sources is for identification only and does not imply endorsement by the U.S. Department of Health and Human Services.¹

For more information, please consult the CDC's adult immunization schedule.¹ In addition, this adult immunization schedule should be used only as a visual reminder of vaccines that should be administered to adults and should not be considered a substitute for careful review of product-specific prescribing information.
