Any decision or award as a result of any such arbitration proceeding shall be in writing and shall provide an explanation for all conclusions of law and fact and shall include the assessment of costs, expenses, and reasonable attorneys' fees. Any such arbitration shall be conducted by an arbitrator experienced in areas of law applicable to the asserted Claims, and shall include a written record of the arbitration hearing. The parties reserve the right to object to any individual who shall be or has been at any time employed by or affiliated with a competing organization or entity. An award of arbitration may be confirmed in a court of competent jurisdiction. This arbitration shall be governed by, and construed in accordance with, the laws of the state of New York without giving effect to the choice of law principles thereof.
